

Paths to a Bachelor of Science in Nursing from Marian University

YOUR PREFERRED LEARNING STYLE:

*At a regionally accredited college.

Student Profiles (based on average student attendance)

YOU ARE SOMEONE WHO HAS:

On-Campus and In Person

1

Never attended college

ENROLL AS A FRESHMAN AT MARIAN UNIVERSITY

Student profile: Student seeking to enroll full-time in college having never attended college anywhere else (e.g., high school graduate)

Curricular requirements:
128 credit hours

Time to degree: Four years
full-time enrollment

Cost: \$33,000** per year for
full-time enrollment

2

Earned credit attending college*

TRANSFER TO MARIAN UNIVERSITY

Student profile: Full-time or part-time college student seeking to transfer to Marian University as a pre-nursing student in the traditional program

Curricular requirements:
128 credit hours less previously earned transferable credit

Time to degree: Three and a half years at Marian University once nursing prerequisites have been completed

Cost: \$33,000** per year for
full-time enrollment

3

Earned a bachelor's degree*

ENROLL AS A SECOND-DEGREE STUDENT AT MARIAN UNIVERSITY

Student profile: Student who intends to enroll in the second degree nursing program

Curricular requirements: Any nursing prerequisite courses needed, plus 64 credits for the second degree nursing program

Time to degree: 16 months plus time needed to complete nursing prerequisite courses

Cost: \$390 per credit hour for any nursing prerequisite courses plus \$51,410** for the second degree nursing program***

4

Earned a credential as an RN

COMPLETE THE RN-TO-BSN PROGRAM

Student profile: RN who is seeking to earn a bachelor's degree (BSN)

Curricular requirements: 30 credit hours plus any required general elective courses

Time to degree: 16 months (plus time needed to complete general education courses)

Cost: \$390 per credit hour plus \$11,700 for the RN-to-BSN program

5

Earned credit attending college*

ENROLL IN THE BACHELOR OF HEALTH AND HUMAN SERVICES DEGREE IN MARIAN'S ADULT PROGRAMS (MAP)

Student profile: Student intending to enter Marian University's second degree nursing program who has not yet completed a first degree

Curricular requirements: Successful completion of the health and human services degree, then 64 credits for the second degree nursing program

Time to degree: Time to complete the health and human services degree varies according to amount of transferable credit, plus 16 months for the second degree nursing program

Cost: \$390 per credit hour plus \$51,410** for the second degree nursing program***

6

Earned a bachelor's degree*

WORK ON PREREQUISITES WHILE COMPLETING (OR AFTER COMPLETING) BACHELOR'S DEGREE AT ANOTHER COLLEGE

Student profile: Student who realizes they want to become a nurse but has (or will have) a degree in another field—this student can complete the nursing prerequisites through MAP.

Curricular requirements: Successful completion of the first bachelor's degree and all nursing prerequisite courses, then 64 credits for the second degree nursing program

Time to degree: Time to complete the first degree, plus 16 months for the second degree nursing program

Cost: \$390 per credit hour for required nursing prerequisite courses plus \$51,410** for the second degree nursing program***

* At a regionally accredited college.

** Instructional costs as of August 2017.

*** Federal financial aid is limited to student loans for students who have already earned a bachelor's degree.
